Re: Richmond Area DUI/Traffic/Criminal Referrals

Has your DC metro area client been caught in a speed trap in Henrico (Hanover, New Kent, Caroline, Essex, Greensville, EverySquareInch of 95 and 64) County? Has your client been caught smoking pot in the parking lot of Kings Dominion by Scooby Doo Security ("ruh-roh!") while attending the big Clay Aiken concert? (Practice Pointer: winning defense- necessity!) Has your client's son crashed mom and dad's Geo Metro into the statue of Stonewall Jackson on Monument Avenue after a party at VCU and been charged with DUI? (NOT a defense: Junior told cop that Stonewall cut him off.) Before you say you don't know anyone who practices there – not so fast, counselor! *Your old pal Bob Battle is alive and well and living in Richmond.*
