

The ad below is why Bob Battle wrote the book “**How to Choose a DUI Lawyer in Virginia!**” Do you want to know what criteria some “DUI lawyer directories” have for inclusion on their website? The website www.DUI1.com sent the following ad to lawyers all across America. I wish this was a joke, but it is true. Their only “qualification” to get on their site is the ability to “plead a client guilty.” Disgusting, isn’t it? Bob Battle has a special section exposing the truth about this and other lawyer directories in his book, which is available as a free download at www.VirginiaDUILawInfo.com .

Do Your Know How to Plead a Client Guilty? If Yes, You Are a Qualified DUI Lawyer.

DUI1.com will run TV ads nationally this 4th of July weekend and all 6 major US holidays. You can see the ad [here](#) or visit the following link: <http://www.youtube.com/watch?v=vpFK4wWgkxY>.

While we are the Number 1 result on Google for DUI related term, we remain committed to increasing our member's case loads and set a new standard in DUI Defense.

Over 99% of DUI cases are pled before going to trial. This makes DUI Defense one of the most lucrative areas of the criminal defense practice. At DUI Defenders we remain committed to producing results for our members.

Arrested for DUI? Looking for an attorney on the Internet? Look at how one website advertises for attorneys to join their "system!!!" The ONLY criteria they look for is that they know how to PLEAD YOU GUILTY. You are going to their "trusted" website only to perhaps find a lawyer with nothing more than a credit card in his wallet and an ability to PLEAD YOU GUILTY!

Compare this ad with the **Testimonial** from one of Bob Battle’s former clients:

*When I met with Bob, I told him about meeting with another lawyer who suggested I plead guilty and it gives me great pleasure to quote Bob’s response “**If you want to plead guilty on these facts, please find another attorney.**”*

Let me assure you that by trial Bob has a plan and knows how to work it. At trial Bob’s intense focus does not allow or afford panic. He is cool under fire and gave me the assurance and representation I deserved. The police officer was visibly annoyed and frustrated on Bob’s cross-examination as Bob exposed that he had ignored “the book” in his “field sobriety tests.” In fact, Bob was so relentless in grilling the officer, you would think Bob was the one on trial and not me. The end result- not guilty. I was convinced and it was demonstrated in the course of my case that this man means business and is “the truth!”
